I hereby voluntarily consent to acupuncture treatment with Rebecca Thoroughgood. The procedures involved in acupuncture treatment have been explained to me. I understand that I may be treated with the insertion of needles, cupping, gua sha, and/or with the application of heat to the skin. I also understand that Rebecca Thoroughgood might also make recommendations related to diet, exercise and lifestyle consistent with Chinese Medical therapy, or might suggest additional therapies to support treatment.

Possible side effects/healing response
I understand that acupuncture may result in certain side effects, including local bruising, slight bleeding, fainting, temporary pain or discomfort and temporary aggravation of symptoms existing prior to treatment.

No guarantees
I understand that each person is unique and has ultimate responsibility for his or her healthcare. I acknowledge that I have not received any guarantees or promises as to the results or success that will be obtained from the services provided.

Infections Disease Prevention
I understand that infectious disease is carried through the air, through physical contact, and through body fluids. I understand that universally prescribed precautions to prevent the spread of infection are followed.

Client responsibilities
I understand that it is my responsibility to inform Rebecca Thoroughgood of all aspects of my health and that, as service progresses, to inform her of changes that occur. I will inform Rebecca Thoroughgood if I am pregnant, or suspect pregnancy at any time. If I experience any pain, discomfort, or possible adverse side effects, it is my responsibility to notify Rebecca Thoroughgood. Please see my guidelines for email, text and phone contact.

Medical treatment
I understand that acupuncture is not a substitute for medical care by a licensed physician, nor will Rebecca Thoroughgood suggest that I discontinue medical treatment. I understand that if I am currently under the care of a licensed physician, it is my responsibility to consult with my physician before altering any medications or medical treatment. I understand that if there is a worsening of my ailment or condition, or if a new ailment or condition arises, that I should consult a licensed physician.

Confidentiality
I understand that Rebecca Thoroughgood respects my privacy and will only release information required to further my treatment, assist me in obtaining payment, managing her own internal operations, or as specifically authorized by me.

I have been informed of the fees and understand that payment is due *at the time of service*. I understand that cancellations without 24 hours notice will be charged a $50 fee for the first time. A full appointment fee of $95 will be assessed thereafter. Future treatments will not be scheduled until all outstanding fees are paid. ***Three* missed appointments/late cancellations** are grounds for immediate termination of treatment. Our office reserves the right to request upfront payment for herbs and appointments.

I understand that my practitioner welcomes my questions about the safety of acupuncture and the precautions taken and she will provide the answers to my questions. I have read this form carefully and have felt free to ask any questions regarding this process, and it has been satisfactorily explained to me.

COVID-19 INFORMED CONSENT TO TREAT

I understand that the novel Coronavirus (COVID-19) has been declared a global pandemic by the World Health Organization (WHO). I further understand that COVID-19 is extremely contagious and may be contracted from various sources. I understand COVID-19 has a long incubation period during which carriers of the virus may not show symptoms and still be contagious.

I understand that I am the decision maker for my health care. Part of this office's role is to provide me with information to assist me in making informed choices. This process is often referred to as "informed consent" and involves my understanding and agreement regarding recommended care, and the benefits and risks associated with the provision of health care during a pandemic. Given the current limitations of COVID-19 virus testing, I understand determining who is infected with COVID-19 is exceptionally difficult.

<u>To proceed with receiving care, I confirm and understand the following (Initial in all seven places provided)</u> **Initial Below**

- I understand my treatment may create circumstances, such as the discharge of respiratory droplets or person-to-person contact, in which COVID-19 can be transmitted. __________
- I understand that I am opting for an elective treatment that may not be urgent or medically necessary, and that I have the option to defer my treatment to a later date. However, while I understand the potential risks associated with receiving treatment during the COVID-19 pandemic, I agree to proceed with my desired treatment at this time. __________
- I understand due to the frequency of appointments with patients, the attributes of the virus, and the characteristics of procedures, I may have an elevated risk of contracting COVID-19 simply by being in a health care office. __________
- I confirm I am not experiencing any of the following symptoms of COVID-19 that are listed below:
  *Fever *Dry Cough *Sore Throat
  *Shortness of Breath *Runny Nose *Loss of Taste or Smell __________
- I understand travel increases my risk of contracting and transmitting the COVID-19 virus. I verify that I have NOT in the past 14 days I have not traveled: 1) Outside of the United States to countries that have been affected by COVID-19; or 2) Domestically within the United States by commercial airline, bus, or train. __________
- I am informed that you and your staff have implemented preventative measures intended to reduce the spread of COVID-19. However, given the nature of the virus, I understand there may be an inherent risk of becoming infected with COVID-19 by proceeding with this treatment. I hereby acknowledge and assume the risk of becoming infected with COVID-19 through this elective treatment and give my express permission to you and the staff at your offices to proceed with providing care. __________
- I have been offered a copy of this consent form. __________

I KNOWINGLY AND WILLINGLY CONSENT TO THE TREATMENT WITH THE FULL UNDERSTANDING AND DISCLOSURE OF THE RISKS ASSOCIATED WITH RECEIVING CARE DURING THE COVID-19 PANDEMIC. I CONFIRM ALL OF MY QUESTIONS WERE ANSWERED TO MY SATISFACTION.

I HAVE READ, OR HAVE HAD READ TO ME, THE ABOVE COVID-19 RISK INFORMED CONSENT TO TREAT. I APPRECIATE THAT IT IS NOT POSSIBLE TO CONSIDER EVERY POSSIBLE COMPLICATION TO CARE. I HAVE ALSO HAD AN OPPORTUNITY TO ASK QUESTIONS ABOUT ITS CONTENT, AND BY SIGNING BELOW, I AGREE WITH THE CURRENT OR FUTURE RECOMMENDATION TO RECEIVE CARE AS IS DEEMED APPROPRIATE FOR MY CIRCUMSTANCE. I INTEND THIS CONSENT TO COVER THE ENTIRE COURSE OF CARE FROM ALL PROVIDERS IN THIS OFFICE FOR MY PRESENT CONDITION AND FOR ANY FUTURE CONDITION(S) FOR WHICH I SEEK CARE FROM THIS OFFICE.

Guidelines for email/text/phone contact:
Please keep this for your reference

Feel free to email/text me if you have a very specific question about treatment or an herb I've recommended – for example, you need to clarify something about dosage or have not received your order, or you need to confirm your appointment.

While I welcome your questions about treatment, my office policies, and all things acupuncture, please understand that I cannot answer in-depth treatment questions or provide treatment advice over email, text or phone – these will need to be discussed at your in person appointments.

Feel free to bring with you any copies of labs or other health information that you feel is relevant to your care, that you would like to discuss. Please do not send labs or health reports via email or text. These can be discussed during your in person appointments.

For anything urgent, including last minute scheduling changes or additions, please don't rely on email. Text or phone is best for questions that need immediate responses. And of course, if you experience anything concerning or medically urgent, please seek immediate medical attention.

BRIEF EXPLANATION OF GOOD FAITH ESTIMATES

You are entitled to receive this "Good Faith Estimate" of what the charges could be for acupuncture services provided to you. While it is not possible for an acupuncturist to know, in advance, how many sessions may be necessary or appropriate for a given person, this form provides an estimate of the cost of services provided. Your total cost of services will depend upon the number of acupuncture sessions you attend, your individual circumstances, and the type and amount of services that are provided to you. This estimate is not a contract and does not obligate you to obtain any services from the provider(s) listed, nor does it include any services that may be recommended during treatment to you that are not identified here.

This Good Faith Estimate is not intended to serve as a recommendation for treatment or a prediction that you may need to attend a specified number of acupuncture visits. The number of visits and any supplements or herbs that are appropriate in your case, and the estimated cost for those services, depends on your needs and what you agree to in consultation with your practitioner. You are entitled to disagree with any recommendations made to you concerning your treatment and you may discontinue treatment at any time.

In addition to an intake, most new clients will attend one acupuncture visit per week for about 4-6 weeks, however the frequency of visits that are appropriate in your case may be more or less than once per week, depending upon your needs. If herbs are recommended in addition to treatment, the costs will be provided. You and Rebecca Thoroughgood will determine a treatment schedule for continued or follow-up care based on your needs.

You have a right to dispute a bill if the actual amount charged to you substantially exceeds the estimated charges stated in your Good Faith Estimate (which means $400 or more beyond the estimated charges). Initiating the dispute process will not adversely affect the quality of services rendered to you. You may contact the health care provider or facility listed to let them know the billed charges are higher than the Good Faith Estimate. You can ask them to update the bill to match the Good Faith Estimate, ask to negotiate the bill, or ask if there is financial assistance available. You may also start a dispute resolution process with the U.S. Department of Health and Human Services (HHS). If you choose to use the dispute resolution process, you must start the dispute process within 120 calendar days (about 4 months) of the date on the original bill. There is a $25 fee to use the dispute process. If the agency reviewing your dispute agrees with you, you will have to pay the price on this Good Faith Estimate. If the agency disagrees with you, you will have to pay the higher amount. To learn more and get a form to start the process, go to www.cms.gov/nosurprises or call HHS at (800) 368-1019. Keep a copy of this Good Faith Estimate in a safe place or take pictures of it. You may need it if you are billed a higher amount.

You are encouraged to speak with your provider at any time about any questions you may have regarding your treatment plan, or the information provided to you in this Good Faith Estimate.
